We have 3 ways to serve your event. Choose the one that best fits your needs!

1. Pick Up

You come to the restaurant at a specified time, where everything is packaged into disposable foil pans, hot and ready to serve! Need to pick up in advance? We will package your food cooked and cooled with reheating instructions.

2. Bulk Delivery

Let us bring your food to you. Our catering specialist will deliver your meal to your event location in disposable foil pans. We will set everything up wherever you would like. When you and your guests are finished eating, simply throw everything away.

- For extended service times of more than 45 minutes, chafing setup and sternos are highly recommended to ensure food quality and safety. These can be purchased at the time you place your order, and we will set these up for you as well. When finished, these are also disposable.
- Delivery fees apply and vary according to mileage.

3. Full Service Catering

Don't lift a finger! Our experienced catering team will deliver and set up your food in the location of your choice. We will then serve your guests and clean up when they are finished.

- Delivery fees apply and vary according to mileage.
- Gratuity of 18% is added to all full service packages. Additional service fees may apply based on extent and length of service requested.

Delivery & Setup Fee - 10.00
